Lesson Rate is \$34.50 per 30-minute time-slot. Monthly Tuition is calculated by a 40-lesson calendar year divided into 12 equal monthly payments. Each monthly payment covers 3 & 1/3 lessons. The number of lessons will vary per month throughout the year (usually 3-4 lessons per month). Due to the customary nature of monthly billing and payment cycles, this payment system is designed to maintain financial and budgetary stability for Ramos Piano Studio and students/parents alike.

All monthly tuition payments are processed on the first day of the month. Payments for books, events, registration fees, etc., will be added to tuition payments for the most current month. Please expect only one payment per month.

Payments will be processed through a third-party company (First Data/Clover). All payment information will be securely saved and strictly used for recurring monthly payments.
